Barnardo's Young Women's Project	London	Tailored training / awareness raising	<ul style="list-style-type: none"> Between 2008-12 Barnardo's Young Women's Project is being funded by London Councils to provide a prevention education programme on sexual exploitation in every London borough. This programme will include training for professional and group work for young people in schools, residential units and pupil referral units, using the 'B Wise 2 Sexual Exploitation' resource. This pack equips teachers, social workers and counsellors to educate young people about sexual exploitation with honesty and realism. The material is all based on the experiences of young people supported by a specialist Barnardo's service. Full resources for the activity-based sessions are provided and thorough facilitators Notes with practical tips let you feel fully confident in delivering this relevant and engaging programme. Includes a CD-ROM of the session resources for printing or projecting.
